TUITION POLICIES

Tuition is calculated and charged in exact four-week increments. As such, it may not correspond precisely to each calendar month. However, each monthly tuition session contains the correct number of classes.

Monthly tuition will be charged to the credit card on file on the 23rd of the month prior. Cash or check payments must be received between the 23rd of the month prior and the 1st, otherwise your account will be charged. If for any reason payment is not received by the 5th day of the month, a \$15 late fee will be assessed.

Drop Policy – Our classes follow an August to June schedule. If, during that time, you need TO WITHDRAW FROM A CLASS, YOU MUST NOTIFY THE OFFICE IN WRITING, by the 23rd of the month prior. Tuition is due regardless of class attendance until a Drop/Change Form is processed. Tuition is non-refundable and non-transferrable.

In order to maintain the quality of our classes and honor our commitments, it is not possible to issue credit, refunds or extensions for missed classes. Make-ups are available. Please see the posted School Policies for additional details.
