Notes

Camps will require a Registration Fee of \$35. This fee is paid once per family, and covers all future Camps, Workshops or weekly classes, for one year – until August 2021.

Students may enroll in a POD at their specific levels or lower.

For instance, a “Beg D/Alt 1” dancer may enroll in the “Beg D/Alt D” POD, not the “Int 1/Alt 1” POD.

MAKEUPS –

There will be NO IN-STUDIO MAKE-UPS allowed, due to the need to keep PODs hygienically separate, as well as the strict restrictions on number of students permitted in each room. Students may make up missed In-Studio classes by taking other appropriate Zoom classes within the same session, if available. Thank you for understanding.

Missed ZOOM classes may be made up in the current session only. In other words, ZOOM classes in this session must be made up before Sept 12.

PODS may be cancelled due to low enrollment.

Please contact us with any questions.

Thank you!
