

## SUMMER CLASSES 2020

July 13 – August 8 (4 wks)

The following Saturday In-Studio and weekly Intensive Classes will be offered. Please note that only levels from Ballet C and higher will be offered on Zoom through the summer. Younger levels will only have in-studio classes.

In-Studio Class sizes are strictly limited to the following number of dancers due to social spacing requirements:

**Studio A** – 12 Students

**Studio B** – 10 Students

**Studio C** – 8 Students

**Studio D** – 6 Students

If needed, we would be happy to add more classes or online classes as interest and space permits.

## A NOTE RE: GROUPS

Students in the following levels will be divided into two groups to reduce overall class size and comply with social-spacing guidelines – for example, C-a and C-b, Int 1-a and 1-b, etc. Groups will alternate between In-Studio and Online classes. Students may choose to attend only Online, In-studio, or both segments at discounted rates.

Please note that the Online Ballet classes are scheduled for 15-30 minutes less than the In-Studio classes. This is because online dancers will not be able to participate in the final combinations of class which will include large jumps and movements across the floor.
